Massage Therapy by Rattray and Ludwig - In my opinion, this is our most important textbook in Massage Therapy School. I used this book mainly and extensively when I was studying for the massage board exam.

~~Massage Therapy School Curriculum: Course Outlines ...~~

COVID-19 made massage therapists very aware of the need for increased sanitation protocols. With the lack of a gold standard for massage therapists, we can turn to entities like the CDC to learn how to create a therapy space that is safe and sanitary. While some practices remain closed, some massage businesses are open now.

~~17 CDC Sanitation Guidelines for Massage Therapists ...~~

Massage is a modality used in many cultures to provide comfort and pain relief using therapeutic touch. There are many styles of massage including Swedish, reflexology, reiki, neuromuscular therapy, myofascial release, shiatsu, tui na, and manual lymphatic drainage, or MLD.. Swedish massage is the most common and consists of five basic strokes. ...
