Bryan Magee's Confessions of a Philosopher is an absolute joy to read and re-read. Most chapters are written in a comfortable and conversational personal essay form, which appealed to me greatly - as I often felt like I was having a long chat with deeply wise friend. The entire work is plain spoken but always powerful, deep and thought provoking.

Ralph Blumenau reviews Bryan Magee's philosophical autobiography. Confessions can be of two kinds: confessions of faith and confessions of failure. Bryan Magee's vividly written intellectual autobiography has the character of both. His convictions make for exhilarating reading; but his failure to find in philosophy a reliable answer to his deepest concerns casts a shadow over the book, which darkens in the last chapter to a tormented despondency.

I believe philosophy is sometimes called the "science of sciences" because essentially, it's the self-examination of all sciences. Think of philosophy as the mother source or First Principle, the foundation from which all other sciences draw their methodological principles.

~~Confessions of a Mad Scientist Philosopher... by Randy Gage~~

Confessions of a Philosopher is not so much about Magee's intimate private life, about which there is little, apparently, to be confessed. It's pretty much about his contact with the world of philosophy and its leading figures - Bertrand Russell, Karl Popper, Ludwig Wittgenstein and the like, all of whom he has met and usually interviewed.
