Collaborate for free with an online
version of Microsoft Word. Save
documents in OneDrive. Share them
with others and work together at the
same time.

Microsoft Word - Work together on Word documents

Open or create the document, one
that has styles or formats or text that
you plan to use repeatedly. Strip out
any text that doesn't need to be in
every document. For example, a play-
writing template should have all the
play-writing styles in it, but the text

includes only placeholders — just to get you started. Click the File tab.
