Digital Disruption: Unleashing the Next Wave of ...

The mindset of the digital disruptor accelerates every possible process by exploiting digital toolsets that are free for tinkering. Economists talk about trends that reduce barriers to entry. The force of digital disruption doesn't just reduce these barriers, it obliterates them. This allows the disruptor to take new ideas of any size and potential impact and rapidly pursue target customers at almost no cost and in the space of a few days, rather than years.
