[guide to analysing companies - cdn.static-economist.com](http://cdn.static-economist.com/guide-to-analysing-companies)

Analysing a company's profitability without any reference to its financial position is of little value. Similarly, there is little point in doing a detailed analysis of a company's financial structure without reference to its performance. Profit is not sufficient on its own; a company must have the resources to allow it to con-
