Everyone's an Author bridges the gap between the writing students already do online, at home, in their communities and the writing they'll do in college and beyond. It builds student confidence by showing that they already know how to think rhetorically and offers advice for applying those skills as students, professionals, and citizens.

Built on the keystones of rhetoric, Everyone's an Author provides a strong foundation for authoring in the digital age: in college essays, but also on Twitter; in print, but also online; with words, but also with sound, video, and images. It shows students that the rhetorical skills they already use in social media, in their home and religious communities, at work and in other nonacademic contexts are the same ones they'll need to succeed in college.
