Festival Elephants and the Myth of Global Poverty ...

The elephants' crossing of the Rhone was the subject of a well-known painting by Henri-Paul Motte showing elephants on barges being pulled across the river. Two things are clear from such sublime piece of nonsense: neither Polybius nor Livy knew much about elephants, and their histories include fanciful fabrications presented in careful detail, as if related by actual witnesses— caveat ...

Festival Elephants and the Myth of Global Poverty by Glynn ...

The Elephant Festival is an annual festival celebrated in Thailand every November. Just as the name of the festival suggests, all the activities and spectacles in this festival involve elephants. There are elephant talent competitions, the showcase of techniques for taming elephants, presentation of ancient elephant warfare strategies, and more.
