Scholars believe that there are two likely sources for part of the action in Much Ado About Nothing. The first is Ariosto's Orlando Furioso (1532) and the second is an untitled novella by the Italian writer Mateo Bandello (1573), whose works also provided source material for some of Shakespeare's other plays as well. Both of these works contain elements of the Claudio subplot: an unfairly disgraced bride, a father who pretends she has died, and an eventual reunion.
