the most influential artist of the 20th century, pitted himself against the greatest Masters of European painting in a life-long artistic dialogue.

'Picasso: Challenging the Past' explored the ways he took up the artistic concerns of the painters of the past and made audacious responses of his own.

Picasso: Challenging the Past at the National Gallery ...

“Picasso: Challenging the Past”
begins its exploration by tackling the
artist’s response to what is perhaps
the most fraught mode of painting in
the Western canon, the self-portrait.
Picasso’s complex images confirm a
deep fascination with the artists he
admired from the past, celebrating his
predecessors and yet also
transcending their barriers.
