This book is about the period after cancer diagnosis and treatment, described by survivors as "an in-between place, limbo, a weird nothingness, a neutral zone", or the Void....Picking Up the Pieces is easy to read, practical, moving and insightful. I liked the way in which the authors provided doable strategies for living through this difficult period, wrote about challenges to making changes, and advanced counterarguments to help the reader move ahead.

Picking up the Pieces. So now I have to start picking up the pieces of my life. I am not sure where to begin or even how to. I can barely tell what the pieces look like anymore. I'm honestly not sure what my future holds. I can only hope it doesn't turn out with me being in some medicated, coma-like state.

How Can I Pick Up the Pieces after Relapse? Categories: Articles. I didn't think it was possible to be more of a failure than I already was until I relapsed. What I didn't understand is that recovery doesn't change the fact that I am an addict, and often times, relapse is part of the process. For the first few days, it was my little secret.

Funded by the Scottish Government since 2014, our Picking Up the Pieces project has been at the fore of implementing emergency and future care planning in all of Scotland's local authorities. In summer 2017, the team's commitment to championing the importance of emergency planning for carers earned them the 'Carers Champion Award' during the Scottish Social Services Awards.
