From 27 B.C. to A.D. 117, the Roman dreams of boundless empire began to falter. The very size of their conquests made them hard to manage, and the caesars also had to accept the scale and intractability of the problems posed by the barbarians. The period covered by the book is one of great change and the opening of a new era.

Derek Williams' book, Romans and Barbarians: Four Views from the Empire's Edge, was for me not only highly informative, but also a pleasure to read. Williams' book is a survey of Rome's European neighbors (the Britons, Germans, and Sarmatians) during approximately the first century of the Common Era.
