Surprisingly, marketing has never sought to align itself to this goal, even though effective marketing is the central determinant of returns to investors. This paper explores how marketing creates value and shows how shareholder value analysis can be used as a powerful technique for developing and justifying marketing strategies.

**Wiley: Value-based Marketing: Marketing Strategies for ...**

This book is not about value based marketing. It's about using marketing to drive shareholder value, and measuring marketing in terms of how it impacts shareholder value. So it just restates what everybody says about marketing, only it casts the benefit in terms of shareholder value instead of revenue, market share or profits.
