Whips And Whimpmaking

Whimpmaking is the highest refinement of the art of leather braiding. This revised edition introduces another major category of whips--those made in the Mongol tradition.

Whips and Whimpmaking by David W. Morgan - Goodreads

If whips fascinate you (and there's no good reason why they should not) then this is an excellent way to get a feel for the technicalities of whip-making... on that basis I would recommend it... if, however you want to really start seriously making whips, there are better offerings, such as Edwards "How to make whips"

Whips And Whimpmaking PDF EPUB Download – Cause of You Download

The book deals entirely with whips made from leather and has useful information about selecting and preparing hides. It describes the process of building a leather core and bolsters and plaiting the bellies which form the internal structure of the whip. The construction of cores and bellies for nylon whips is not discussed.
